

A Visit To My Local

Description

My local, the Mount Radford is a great place to meet friends and socialise in a congenial atmosphere; if that is you are a student.

default watermark

- The prices are really reasonable; if you are a student
- The prices are really expensive; if you are not a student, as somebody has to pay for the student discount
- The staff will be friendly and engaging; if you are a student
- The staff will be unresponsive, ignorant and downright rude; if you are not a student

Iâ??m gonna stop now before I say something more Iâ??ll regretâ?ia?ia?!
