Israel

Newspapers in Israel have reacted to the United Nations [report condemning Israel's deliberate mass slaughter of Palestinian children](#) by trying to dismiss it. Dismiss it by [complaining](#) that it:

defin[es] a child as "under-18." Israel rejects the findings and calls the report biased and defamatory.

Israel "What a f***ing child is"

The disgusting weasel excuse, so typical of the zionist lobby, met with the derision it deserves. Like this post, which itself went viral:

yes, they do, because that is what a fucking child is. do you people even hear yourselves <https://t.co/BjNI0oUWLt> pic.twitter.com/eZQM3rEniK

The same poster [pointed](#) out that the article also complains that 16-17 year olds sometimes "take up arms":

"16-17 year olds are taking up arms" yes. you just murdered their entire fucking families, what do you want them to do, make you a thank you card? they're still children and no child should ever be put in that position by a western-backed occupying force. go fuck yourselves.

Another contrasted the way in which Israeli soldiers attending a rave just outside Gaza were
â??kidnappedâ??:

Some, very pertinently, reminded readers of â??mainstreamâ?? media collusion in the whitewashing of
Israelâ??s mass infanticide:

â?? Pote (@ka_pote) [June 26, 2026](#)

But Israelis of the same age as Palestinian â??under-18sâ?? are, of course, children:

Those clowns literally referred to the minors as CHILDREN just three weeks ago!

But Palestinian minors considered as children is a very blurry line..

And some pointed out how many paedophiles the zionist state is harbouring (well over 2,000):

Of course they want you to reconsider calling them kids. Israel is a safe haven for pedos.

â?? Go hyuck yourself (@defcon_world) [June 26, 2026](#)

Small wonder that the genocidal regime will try any dishonesty to excuse or distract from its crimes.
Israel is a terror state that deliberately slaughters children. One that frequently treats even its own
children with a sickening, horrific callousness and perversion
