Far right activist Kellie-Jay Keen-Minshull

Kellie-Jay Keen-Minshull is one of the UKâ??s most notorious Trans Exclusionary Radical Feminists ( [TERFs](#) ). In recent years, sheâ??s also become a key player in anti-migrant British far right. Oh, and in addition to that, sheâ??s someone whoâ??s [enjoyed the support](#) of JK Rowling.

Anyway, hereâ??s a video of her complaining that sheâ??s been â??assaulted by noiseâ??:

Nazi Barbie lost it.

The fash donâ??t like it up â??em.

Well done to the anti racists & the anti fascists who turn out every time this delulu invades a community with her hate.

## Far right â??Nazi Barbieâ??

Fairâ??s fair, we should note that JK Rowling hasnâ??t said much about Keen-Minshull since the woman started more openly coordinating with the far right. Who could have guessed that a transphobe would also be a second sort of bigot?

The most obvious recent example of Keen-Minshullâ??s embrace of fascism was when she spoke at Tommy Robinsonâ??s Unite the Kingdom rally:

🇬🇧 [@ThePosieParker](#) says everyone KNOWS that transgenderism is a lie.

"Not everyone can be Tommy Robinson, but we can all be a little bit Tommy"

It's a parents duty to combat gender ideology in schools and hold people to account.

Kellie-Jay Keen at Tommy Robinson Unite the Kingdom, about Muslims:

"It's not too late to get Islam out of our classrooms" and it's "absolutely vital to remove Islam from every single place of authority" in order to "save Britain." The UK and England flag cult cheered andâ?? [pic.twitter.com/lukJhPgRs8](https://pic.twitter.com/lukJhPgRs8)

Rowling previously defended Keen-Minshull against the accusations that she was a Nazi:

A retraction and apology has been issued by iNews for the baseless accusation made by journalist [@PatrickStrud](#) against Kellie-Jay Keen, aka [@ThePosieParker](#). Mr Strudwick has forgotten to share this on Twitter, so it would be nice if people could help him out.

She didnâ??t defend her after she spoke at the Unite the Kingdom rally. It would have been pretty difficult to do so given that it was all filmed.

According to Gyll King, Keen-Minshull was always a well-known bigot; the TERFs just chose not to look too deeply into her past (that or they didnâ??t give a sh\*t):

It has been well known since she pivoted from Facebook racism to anti trans stuff that Kellie-Jay Keen AKA Posie Parker is far right but thst doesnâ??t matter to the inherently far right world of the anti trans cult. ## Assault

In the video at the top, Keen-Minshull says:

Why is she allowed to basically assault someone with that noise?

The police officer she's asking looks confused, with Keen-Minshull having a meltdown as a result:

No, we were here. They stepped forward. F\*cking hell! No wonder Henry Nowak f\*cking died.

The people making the noise were protesters, and the reason they were protesting was because Keen-Minshull is a rancid, far-right TERF. The solution to this problem, of course, is for Keen-Minshull to stop being a rancid, far-right TERF.
