Katie Hopkins being booed out of a pub

Katie Hopkins â?? One of our great British traditions is that landlords have the right to refuse service to anyone. *Anyone*. And if you donâ??t like it, youâ??re probably not all that British, are you?

Anyway, hereâ??s [Tommy Robinson](#) having a cry because rancid bigot Katie Hopkins got booed out of a British pub for being a rancid bigot:

Disgusting scenes as Katie Hopkins is chased out of the 'Dundee Arms' in Bethnal Green as she tried to watch the England game.

Harassed and pursued because of her beliefs.

Bethnal Green whites are a minority.

Be careful what you wish for you thick leftist c*nts. pic.twitter.com/SXEf26K9TZ

She put hands on two separate people on her way out too, so she could get lifted at some point.

Boo

As noted, Robinson is incensed because the pub observed its right to refuse service to anyone. Heâ??s also upset that the punters used their free speech to tell Katie Hopkins to f*ck off. And this

seems a bit hypocritical, doesn't it, given that Robinson has spent the past few weeks inciting [white riots](#) and [pogroms](#)

When these marauding supremacists burned down the homes of people of colour, Robinson laughed:

Bit of difference between this and being refused service in a pub, no?

Robinson wasn't the only one crying either. Lucy Connolly who called for migrant hotels to be burned down had this to say:

What on earth has the UK

Those so called men are nothing but a bunch of them. Katie has bigger balls than all of

This kind of behaviour is unacceptable, we can not continue like this.

Comedian Andrew Lawrence had a pop too despite literally having joked about Starmer getting turfed out of a pub:

This you? <https://t.co/Cor2bVpP0j> pic.twitter.com/uzy4MSFnQ3

Mukhtar (@I_amMukhtar) [June 20, 2026](#)

You know what, it was funny when Starmer got turfed out, to be fair. And even if it wasn't, pubs can throw out whoever they like. That right is the only thing stopping this country descending into anarchy.

Speaking of landlords, the permanently-offended gobsh*te Adam Brooks had this to say:

Disgusting behaviour from lefty men.

Absolute cowards & hypocrites.

Fair play [@KTHopkins](#), a proper landlord wouldn't allow that in their pub. I'm

disgusted. pic.twitter.com/zRVXq7SP2I

â?? Adam Brooks AKA EssexPR  (@EssexPR) [June 20, 2026](#)

We last covered Brooks because he was upset about women commenting on football:

Why the f*** do we have a woman coach from the womenâ??s game telling us about England menâ??s football tactics ?!!

Why ?!!! [@itvfootball](#) [#england](#) [#EngCro](#)

â?? Adam Brooks AKA EssexPR  (@EssexPR) [June 17, 2026](#)

[Maddison Wheeldon had this to say about the career crybaby Brooks](#)

For all the talk about [standing up for women](#) the right wing seems far less comfortable when women step into the so-called â??menâ??s game of football.

However, womenâ??s teams have [often been far more successful](#) than their male counterparts, which highlights how the [concept of women being equal](#) to men leaves some fragile men absolutely enraged. After all, women are clearly only to be seen and not heard by these [pathetic excuses for men](#).

Katie Hopkins â?? Time, please

We donâ??t want to grass anyone up, but maybe the police should look into those potential assaults that Hopkins committed on her way out? And then her friends should cry harder because she got nicked for hitting someone who was literally filming her.

Genius move, by the way, Katie.

And come on England.
