Polanski

Green party leader Zack Polanski has [continued](#) to [stand up to billionaire Elon Musk](#) while Musk continues to incite hate and attack Polanski for resisting.

On 10 June, as Musk again bent and ignored reality to stir up white-supremacist hate toward immigrants, Polanski described Musk's support for "violence and extremism" as a "threat to our democracy":

This man is a threat to our democracy. He backs violence and extremism.

Blaming a group of people for the awful actions of an individual leads us to a very dark place.

Musk, Lowe, Farage, Robinson "these men don't give a shit about this country, they want to rip us apart. <https://t.co/zbV6s42xlv>

Musk, of course, didn't get wound up about murderous white people trying to behead minority victims. That would be far too inconvenient for the white hate narrative. [Murderous UK neo-nazi Alina Burns](#) doesn't exist in the white nationalist discourse, for example "or if she does, she'll be praised behind closed doors.

Stung, Musk then described Polanski as a "scumbag and traitor":

Yes, he is a scumbag and traitor

Zack Polanski â?? Time to pipe down

The natural reading of this would be â??traitor to the white raceâ?*, but just maybe Musk meant a traitor to (white) Britain. You say potato. But Polanski wasnâ??t backing down. Instead he told Musk to â??pipe downâ?* and stop inciting violence and wrecking UK democracy:

Elon Musk can say what he likes about me but I wonâ??t stay silent whilst foreign tech billionaires, money earned off the backs of real workers, try to interfere in our democracy, incite violence in our communities and tear apart our country.

Time for him to pipe down. <https://t.co/wUaROSbwxd>

And it seems a lot more people agree with Polanski than Muskâ??s and werenâ??t shy about saying so. As well as â?? at the time of writing â?? a â??ratioâ?? of 1.5 to 1 in Polanskiâ??s favour in terms of â??likesâ?? and shares, those who replied were, well, pithy:

pipe down, Epstein nonce. <pic.twitter.com/l8LEwA0R39>

And many pointed out Muskâ??s hypocritical silence over the far more prevalent white far-right hate:

pipe down, Epstein nonce. <pic.twitter.com/l8LEwA0R39>

Others pointed to Muskâ??s real roots and the fact heâ??s a foreigner to either of the countries heâ??s trying to wreck:

You â?? a foreigner in every sense of the word, do not get to decide who is or is not a traitor to my (not your) country. Go poke your nose in somewhere elseâ??s business.

As for scumbag, I know for a fact that only one of you grovelled round Epstein to get on his pedophile island.

Still others poured pity as well as scorn on Musk and his hollowness. Which would infuriate him more isnâ??t yet clear:

How sad you are.
Whatâ??s missing in your life I wonder.
Money is wasted on you.
You could do a lot of good in the world, but you choose to incite racial hatred.
I feel immensely sorry for you.

â??Lick the spoonâ??

Some were less charitable, wishing Musk a large helping of what he is dishing out:

Youâ??re a traitor to all humanity Mr Musk. You live to foul everything & everyone that is good. No wonder Trump dumped you. Thereâ??ll be no-one weeping at your deathbed, that honour is reserved for good humans. Remember this: he who stirs the shit must one day lick the spoon.

Polanskiâ??s right, Musk is wrong. And while Polanskiâ??s popularity is running high with the UK public, Muskâ??s has tanked to record lows:
