

WATCH: Lebanon school for disabled children destroyed

Description

default watermark

The aftermath of a school for disabled children in southern Lebanon that was blown up by Israel's [contempt for the lives and wellbeing of children](#) and for international law, is on show daily. As well as attacking Lebanese hospitals, the invaders have blown up a school for disabled children in southern Lebanon.

The destruction was not a stray shell or even a targeted airstrike. Instead, it was wanton destruction using planted explosives.

Lebanon school rigged with C4
