Flotilla

Irish citizens [criminally abducted by Israel](#) from the humanitarian Gaza flotilla arrived back in Ireland last night. Israel beat, tortured and in many cases [raped or sexually assaulted them](#) and hundreds of volunteers from other countries. But their thoughts and words were for the 10,000+ Palestinians “including 400 children” Israel holds without charge. They are tortured and raped every day, even more brutally.

Flotilla vs daily reality

The white faces among the flotilla victims has generated a small amount of [equivocating western media interest](#) But for the Palestinians, such abuse is an everyday, horrific reality:
