Montreal

A 14-year-old activist stood up to an Israel supporter's aggression during an assault in Montreal, Canada yesterday, 9 June 2026. The aggressor was a woman known as Sandra [allegedly](#) associated with white supremacist media. The Canadian government [continues](#) to [support](#) Israel's genocide.

Embarrassment in Montreal

As the young man filmed the assault, the woman tried repeatedly and unsuccessfully to grab his phone and intimidate him. Uncowed, he turned his attention to her companions, embarrassing one man enough to have him claim that he is "no bloody Zionist":

One observer [commented](#)

A Zionist woman named Sandra ATTACKED a 14 YEAR OLD activist in Montreal, Canada. A grown adult assaulting a CHILD, she definitely represents what Israel stands for.
